Thank you so very much

On behalf of the thousand or  
so joint service members  
working out of New Kabul  
Compound, I express my  
appreciation for "Thank you  
Soldier.com"'s care and concern  
for our well-being. It  
means a great deal to all  
of us!!

Thank you for doing  
your part & for making  
a difference!
