

DEAR JONATHAN,

Oct 31<sup>ST</sup> 2008

I'm just writing you back as my appreciation for the package. I just want to thank you so much. Everything you sent will be put to good use,

trust me. I also ~~to~~ want to ~~thank~~<sup>Thank</sup> you for supporting me and all the troops here in IRAQ. We are all very appreciative. But anyways, yeah we've been hard at work doing our jobs and just waiting to get back home to see our families again. My hometown is Lancaster, OH. It's not much, more of a quiet town and nothing to do, but still it's my "home" and I miss it. But anyways, Thank you very much for the package.

Well gotta get back to work.

THANK YOU  $\frac{1}{3}$  TAKE CARE

Sincerely,

-LCPL HANKISON-
