

Dear Jonathan Gates,

Thank you very much ~ you, those with  
Thank you Soldier.com and the parishoners of  
East Highland United Methodist Church ~  
for your support and care packages.

They mean very much to the men and  
women who continue to serve in Iraq  
today. We have a very important mission  
helping the Iraqi people and their  
fledgling democratic government rebuild  
their country. Your thoughts and prayers  
are greatly appreciated.
