Dear Jonathan,

My name is Sgt. Massingill and I just wanted to say "Thank You" for the care package that you sent to the 478th Transportation Company. It was very thoughtful of you and the Church to send us something. We are very grateful to people like you who care. It helps to keep up the morale of the troops when we get any mail from anyone. Even if it's from someone we don't even know. It's good to get the support of what we do, even if we don't think that this or any other war is right. We are only doing our jobs and duty to our country. Because we do this for our families, friends, ourselves and country. But most of all to keep freedom alive. I have been in the Army for 15 years now and will do another 5 to retire out at 20 years. If I can stay in longer, I ~~will~~ probably will. Depending on my age and physical health

at the time. So far everyone at the unit is doing good. We haven't lost a soldier yet and pray that we don't. Prayers are also good too and always welcomed. May God bless you and your Church always!! Well I have to go for now, but again "Thank You". Bye.

Sincerely,
Sgt. Sagorac L. Massingill
