

Thank you very much for supporting the troops. May your Christmas fill with Peace and Happiness. Again, Thank you for your support.

SPC ETS. G

Dec 02, 10

Dear Jonathan Gates,

First of all, I would like to thank our heavenly father, for holding our lives so we can have this opportunity to write in this poorly letter of mine.

Thank you very much for the Packet. I really appreciate everything that you've done to support our troops out here. It really brighten our days to know that someone is also praying for us out there.

Again, thanks for supporting the troops out here.

SPC ETS. G
