

Dear Mr. Gates,

On behalf of the Marines here with the MWSS-373 AGS DET, I would like to thank you for the care package we received. Your time and effort does not go unnoticed. The Marines are always happy to receive care packages from those who still support and appreciate their hard work, sacrifices, and dedication to our country. It really helps keep their spirits up during tough times. Once again Mr. Gates, thank you!

Sincerely,
